Center of Effort 2016 Pinot Noir Estate

Edna Valley, Central Coast

Red wine from United States

Drinking window: 2021 - 2028

Deep, glistening red. Powerful, smoke-accented cherry, black raspberry and candied rose qualities on the highly perfumed nose. Chewy and energetic on the palate, showing fine definition to sweet cherry cola, dark berry and spicecake flavors, which deepen slowly through the midpalate. Finishes on a repeating floral note, with even tannins lending shape to a long, seamless finish.

Josh Reynolds. Tasting date: December 2020
