

**2017 Center of Effort Pinot Noir Effort**

---

Brought up in 25% new oak, the 2017 Pinot Noir Effort sports a translucent ruby/plum color as well as pretty, fruit-driven notes of black raspberries, spring flowers, forest floor, and hints of salty, seaside-like nuances. It offers elegance, terrific fruit, outstanding balance, and a good finish. Drink this classic, vibrant Edna Valley release over the coming 4-6 years.
