

**2021 Center of Effort Brut Rose  
Effortvoscence**

---

Made from 54% Chardonnay and 46% Pinot Noir, aged 31 months en tirage with 6 g/l dosage, the 2021 Brut Rosé Effervescence reveals golden apple, spice, and appealing herb notes on the nose. It's nicely balanced and medium-bodied, with a bright, mouth-filling mousse and a clean, crisp finish. This charming sparkler is best enjoyed over the coming 3-4 years. Drink 2025-2029.
