**96**  
POINTS

### Center of Effort 2021 Il Due Red (Edna Valley)

Winemaker Nathan Carlson is just starting to get into this estate's Rhône varieties and the early results are compelling. This blend of 75% Grenache and 25% Syrah begins with aromas of raspberry, lilac, potting soil and a hint of cocoa dust. The palate is phenomenally tense, offering blueberry, thyme, lavender and clove flavors with a very dry finish.
