

**2024 Center of Effort Chenin Blanc
Oro Bianco**

The 100% Chenin Blanc 2024 Chenin Blanc Oro Bianco (clone 982), aged five months on lees in concrete and stainless steel, displays a light gold hue and citrus, sappy herbs, and grassy nuances. Medium-bodied and sweet-fruited, it's delicious, clean, and quaffable. Drink 2025-2029.
